ITEM #1 WRITTEN QUESTIONS RECEIVED

Q1: Concerning Addendum No.: 1, "Annual Treatment":
Please note that according to the La. Dept. of Agriculture and Forestry Guidelines for Termite Treatment, we are NOT permitted to apply a liquid soil application (re-treating) annually. Treatments may be permitted if there is an existing problem, soil modification or disturbance, or chemical soil residual is compromised otherwise an "Inspection" of the structure annually is the industry protocol.

Will the industry guidelines apply to this RFP?
