- 2.0 SCOPE OF WORK/TECHNICAL SPECIFICATIONS.** The Housing Authority of New Orleans (HANO) was awarded a Choice Neighborhoods Initiative (CNI) Planning Grant through the U.S. Department of Housing and Urban Development (HUD) in Fiscal Year (FY) 2022. As part of the planning process to develop a Transformation Plan for the target area, HANO is seeking proposals from qualified firms to perform a market analysis and feasibility study for the Choice Cooper Neighborhood (see Exhibit 1, Target Area). The overall objective of this RFP is to select a team that has the expertise to prepare an analysis of housing, demographic and economic factors that influence housing and non-residential development in an urban setting and make suggestions for suitable products and investments to consider for the Transformation Plan.

The market analysis and feasibility study are needed to assess the target area in relationship to the surrounding community (both city and region) with respect to its potential for revitalization and redevelopment, and to identify the combination of uses that will be viable in the area and best fit with the neighborhood. The housing and non-residential market analyses will help the HANO understand the dynamics of the housing and non-residential markets in the target neighborhood and its competitive context, and its potential impacts on efforts to develop a transformation strategy for the Choice Cooper Neighborhood.

2.1 Background Information: New Orleans is a diverse community of people and neighborhoods that relies heavily on the tourism industry to support residents and the city economy. It is easily accessible off Interstate (I-10) and located along one of the world's longest rivers, the Mississippi River, and surrounding by water on three sides. It is home to many world class events and gatherings.

HANO is the primary provider of affordable rentals and homes for low to moderate income individuals. The authority administers over 18,000 Housing Choice Vouchers and owns and manages over 2,000 public housing units across New Orleans.

The public housing that is the focus of the Choice Neighborhoods Transformation Plan is B. W. Cooper, which is located adjacent to the central business district (CBD) of New Orleans but separated from the CBD due to Interstate I-10. It was developed by HANO between 1939 and 1941 with additional development in the 1950's. It originally had 1,546 units that were all demolished except two historic buildings which have been vacant since 2015. HANO has been able to rebuild 410 units on the site which were renamed Marrero Commons

CNI is intended to help localities build neighborhoods of opportunity. The CNI program provides competitive grants to transform neighborhoods by revitalizing severely distressed public housing and investing and leveraging investments in well-functioning services, high quality public schools, and education programs, high quality early learning programs and services, public assets, public transportation, and improved access to jobs. The comprehensive process brings together local leaders, residents, and a vast array of other stakeholders to create and implement the Transformation Plan.

Detailed information about the CNI program can be found at <http://portal.hud.gov>.

CNI is focused on three core goals that are achieved through implementation of the Transformation Plan:

- 1. Housing:** Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood.
- 2. People:** Improve educational outcomes and intergenerational mobility for youth with services and support delivered directly to youth and their families; and
- 3. Neighborhood:** Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community.

The Transformation Plan should create new affordable housing, preserve and revitalize housing in the surrounding neighborhood, and develop a mixed-use and mixed income community which reduces the concentration of poverty. The Transformation Plan will integrate housing and neighborhood revitalization plans with a community resources plan that concentrates on the provision of supportive services and supports economic development.

2.2 Scope of Work. (PLEASE NOTE: It is the responsibility of each proposer, but especially the eventual successful proposer, to, prior to the submittal deadline during the period of time this RFP is posted, to inform the Agency for its consideration of any of the following information that is, in the opinion of the firm, inaccurate or ineffective.)

The contractor shall possess all applicable licenses and/or certifications required to perform the required services below:

The focus on data analysis for this report should reflect current economic and market conditions in New Orleans, the state, and the nation. The analysis should determine how market conditions impact the Choice Cooper Neighborhood and the feasibility for residential and non-residential development now and in the future. This should be informed by the ways in which the residential and non-residential markets in the Target Area interact with each other. The analysis should also provide HANO with a better understanding of the highest and best uses for vacant properties.

This analysis should use demographic, employment, and market data to provide an understanding of the local economic, housing and land uses, and of the opportunities and challenges to revitalization and redevelopment in the target area. Research for this report should include new data analysis as well as interviews with stakeholders and should not be solely based on existing reports or studies. Discussions with stakeholders, such as real estate developers, retailers, major employers, and others should be performed.

While the focus of data collection and the initial analysis will be on current conditions, the consultant is encouraged to take a dynamic approach to the analysis of future market conditions within the Target Area in order to further an understanding of the potential for transformational change within the Target Area. This would entail the prudent introduction of improved market conditions based upon the implementation of recommended public actions and the actualization of development potential within the Target Area. An assessment of the Target Area's future market potential would then be based upon these improved market conditions. This would require that the consultant assess a reasonable time frame for new development to occur and have a positive impact on Target Area market conditions. This approach also requires that any assumptions about future public actions be reasonable with regard to the public sector's willingness and ability to fund such actions and with regard to a time frame for implementation.

The market analysis should include, but not necessarily be limited to, the following tasks.

Task 1: Market Area Definitions

The consultant will identify the City of New Orleans housing markets and submarkets and establish into which submarket the Choice Cooper Neighborhood ("Target Area")

fits. This submarket is to be identified as the “Competitive Market Area.” The Competitive Market Area should comprise an area with similar market characteristics within which the Target Area is an option for housing or non-residential development.

The identification of a Competitive Market Area should not preclude consideration that households or businesses may be attracted to the Target Area from beyond the Competitive Market Area.

The consultant will also identify a regional market (“the region”) whose characteristics and trends may impact or provide context for the target area, recognizing that this regional market may or may not be contiguous with the New Orleans Metropolitan Statistical Area (“MSA”). If a subset of New Orleans is identified as the regional market, the consultant shall distinguish between the regional market and New Orleans when and if it is appropriate to consider trends and context provided by the entire MSA.

Task 2: Site Analysis, Community Amenities and Features

The consultant will conduct an analysis of the Target Area in terms of geographic context, access,

and availability to needed facilities and services including:

- Document the nature of current and proposed land uses in the Target Area, looking at the general character of the surrounding neighborhood, CBD, and planned developments that can be identified.
- Examine the existing transportation infrastructure and any proposed major improvements.
- Investigate the location and types of public and private support facilities and services serving the population (i.e., schools, shopping, medical, public transportation, and recreation/leisure activities).

Task 3: Economic Context

The consultant will review the economic forces that are shaping the market and place them within

the context of the region including:

- Examine trends in labor force and unemployment rates in the Competitive Market Area, the city and the region, as appropriate.
- Examine the size and nature of employment currently existing in and around the Target Area and document the recent growth in employment by sector.
- Identify major stimuli or disruptions to the economy.

Task 4: Socioeconomic and Demographic Context

The consultant will analyze demographic and socioeconomic trends within the Target and Competitive Market Areas, placing them in a citywide and regional context including:

- Based in part on Census data, examine recent trends in population and household growth, as well as current public projections of population and household growth over the next 15 years.
- Examine the characteristics of the current households including family type, tenure, age distribution, and household type.
- Examine current income characteristics of the population within the market area, including income by tenure.

Task 5: Rental Housing Market Conditions

The consultant will conduct a supply analysis that will assess the location, type, rent level, occupancy rates, and characteristics of rental housing serving the Target Area, the Competitive Market Area and/or the city, as appropriate, including:

- Compile, map and analyze information on general occupancy, age-restricted rental apartment, rental townhouse developments, and subsidized communities.
- Compile and analyze data on rent levels, unit size, unit distribution, and occupancy rates.
- Examine features and amenities offered in the market.
- Document current concessions being offered in the market and absorption experience of recently completed projects.
- Prepare individual profile sheets of existing rental communities in the market areas and include these in the final report.
- Identify new rental housing developments under construction and planned in the market areas.

Task 6: For-Sale Housing Market Conditions

The consultant will conduct a supply analysis that will assess the size and characteristics of the Target Area's, the Competitive Market Area's and/or the city's existing and new homes markets, as appropriate.

- Compile and analyze information on the existing and new for-sale market, looking at current price position and geographic dispersion of sales by price position. Also, document the trends in housing pricing over the recent past.
- Present information about the market's currently active new home sales activity. This analysis will include summary data on housing types being built, age restrictions, sales by price position, inventory remaining in active subdivisions, and a price/square foot comparison of current offerings.
- Quantify and map new residential development anticipated in the area.

Task 7: Non-Residential Market Conditions

The consultant will conduct a supply analysis that will assess the non-residential landscape of the

Target Area in relation to the Competitive Market Area and the rest of the city and identify retail gaps and identify and evaluate retail locations within the Target Area, as well as market opportunities for other types of non-residential development, which may include office development, consumer services, and healthcare services.

- Compile and analyze information on existing conditions to develop market and retail gap analysis.
- Compile and analyze information on existing conditions to develop market analysis for nonretail business and development opportunities.
- Review City policies, land use designations, and zoning designations in the Target Area.
- Identify potential growth and redevelopment sites and identify market potential with respect to non-housing market segments.

Task 8: Perceptions and Attitudes

The Target Area contains a high concentration of low and very-low-income households relative to the region. The consultant will conduct an analysis of perceptions and attitudes about the Target Area in order to determine if and how these perceptions may limit the area's development potential.

- Interview stakeholders and decision-influencers within and outside the Target Area to include, but not be limited to, realtors, developers and business owners.
- Identify and assess the strength of perceptions and attitudes about the Target Area that impact market conditions and development potential.
- Use the results of the perceptions and attitudes analysis to modify or qualify data-driven market assessments, as appropriate.

Task 9: Findings and Recommendations

The analysis and feasibility study will include:

- An evaluation of the strengths and weaknesses of the area, including its demographic and competitive environment.
- Projections for the number of households in the Target Area in the short term and long term.
- Calculation of the balance of supply and demand for both rental and for-sale housing in the market area.
- Suggestions for suitable housing products for the Target Area and any submarkets identified within the Target Area. Suggestions should address target market structure types, unit sizes, appropriate mix of bedrooms, features and amenities, and rental and sales prices.
- Suggestions for suitable non-residential products for the Target Area and any submarkets identified within the Target Area. Suggestions should address unmet needs for which a commercially viable market exists and the existence or need to develop suitable real estate product to meet these needs.
- Quantification of future demand for all market segments over a defined time horizon (5 to 15 years) for non-residential square footage and number of housing units by housing type.

All findings and recommendations should incorporate a dynamic approach as much as possible.

DELIVERABLES

Data, analyses, conclusions, and recommendations will be furnished in a report that details all of the research set forth above, including supporting documentation, statistical tables, and maps. The consultant will deliver a:

- Draft Report for review by HANO, stakeholders, and residents.
- Based on comments, the consultant will revise the report.
- Final Report that will be delivered in electronic format (Microsoft Word and Adobe Acrobat files), along with five (5) color hard copies by April 30, 2024.

4.2 Evaluation Method

- 4.2.1 Initial Evaluation for Responsiveness.** Each proposal received will first be evaluated for responsiveness (i.e., meets the minimum of the requirements).
- 4.2.2 Evaluation Packet.** An evaluation packet will be prepared for each evaluator, including the following documents:
- 4.2.2.1** Instructions to Evaluators;
 - 4.2.2.2** Proposal Tabulation Form;
 - 4.2.2.3** Written Narrative Form for each proposer;
 - 4.2.2.4** Recap of each proposer’s responsiveness;
 - 4.2.2.5** Copy of all pertinent RFP documents.
- 4.2.3 Evaluation Committee.** The Agency anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive “hard copy” proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As detailed within Section 3.5 of this document, the designated Procurement contract is the only person at the Agency that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.
- 4.2.4 Evaluation.** The Procurement staff will evaluate and award points pertaining to Evaluation Factor Nos. 4, 5, and 6 (the “Objective” Factors). The appointed evaluation committee, independent of Procurement or any other person at the Agency, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors Nos. 1, 2, 3 (the “Subjective” Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to Procurement.

4.2.5 Potential "Competitive Range" or "Best and Finals" Negotiations. The Agency reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a "Best and Finals" Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range.

4.2.6 Determination of Top-ranked Proposer. Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by Procurement to determine the final rankings, which is typically forwarded by the Executive Director for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the Agency's option, be conducted prior to or after the BOC approval.

4.2.6.1 Minimum Evaluation Results. To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 115 total possible points detailed within Section 4.1 herein).

4.2.6.2 Ties. In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by "drawing lots or other random means of selection."

Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the Agency evaluation committee.

5.0 CONTRACT AWARD.

- 5.1 Contract Award Procedure.** If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
- 5.1.1** By completing, executing and submitting a proposal, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the Agency,” including the contract clauses already attached as Attachments G and G-1 through G-4, each attached hereto. Accordingly, the Agency has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.
- 5.2 Contract Conditions.** The following provisions are considered mandatory conditions of any contract award made by HANO pursuant to this RFP:
- 5.2.1 Contract Form.** The Agency will not execute a contract on the Contractor’s form – contracts will only be executed on the Agency form (please see Sample Contract, Attachments G and G-1 through G-4 each attached hereto), and by submitting a proposal the Contractor agrees to do so (please note that HANO reserves the right to amend this form as the Agency deems necessary). However, the Agency will during the RFP process (prior to the posted question deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the Agency to do so; but the failure of the Agency to include such clauses does not give the Contractor the right to refuse to execute the Agency’s contract form. It is the responsibility of each prospective proposer to notify the Agency, in writing,

prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Agency will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the Agency's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

5.2.1.1 Mandatory HUD Forms. Please note that HANO has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

5.2.1.2 E-Verify Affidavit. The Contractor must certify compliance with Louisiana's E-Verify requirements, in that the Contractor is registered, uses, and will continue to use the E-Verify, Federal Work Authorization Program throughout the contract period. This Form must be fully completed and executed where provided thereon by the successful proposer and will be a part of the ensuing contract (NOTE: It is NOT necessary to complete and submit this form as a part of the proposal submittal—only the awarded proposer(s) will be required to do so as a part of the contract execution).

5.2.2 Assignment of Personnel. HANO shall retain the right to demand and receive a change in personnel assigned to the work if HANO believes that such change is in the best interest of HANO and the completion of the contracted work.

5.2.3 Unauthorized Subcontracting Prohibited. The Contractor shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of HANO. Any purported assignment of interest or delegation of duty, without the prior written consent of HANO shall be void and may result in the cancellation of the contract with the Agency, or may result in the full or partial forfeiture of funds paid to the Contractor as a result of the proposed contract; either as determined by HANO.

5.3 Contract Period. The Agency anticipates that it will award a contract for the period of 1 year.

5.4 Licensing and Insurance Requirements. Prior to award (but not as a part of the proposal submission) the *Contractor* will be required to provide:

5.4.1 Workers Compensation Insurance. An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount not less than \$100,000.00 (NOTE: Workers Compensation

Insurance will be required of any Contractor that has employees other than just the owner working on-site to provide the services);

- 5.4.2 General Liability Insurance.** An original certificate evidencing General Liability coverage, naming HANO as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of HANO as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$1,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a commercially reasonable deductible (i.e., "commercially reasonable," meaning at least 1% of the "general aggregate minimum" of the policy, with a maximum deductible amount of \$50,000);
- 5.4.3 Professional Liability Insurance (and/or Errors & Omissions).** An original certificate showing the proposer's professional liability and/or "errors and omissions" coverage (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$1,000,000), with a commercially reasonable deductible (i.e., "commercially reasonable," meaning at least 1% of the "general aggregate minimum" of the policy, with a maximum deductible amount of \$50,000);
- 5.4.4 Automobile Insurance.** An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$500,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$100,000/\$300,000 and medical pay of \$5,000.
- 5.4.5 City/County/State Business License.** If applicable, a copy of the proposer's business license allowing that entity to provide such services within the City of New Orleans, Orleans Parish, and/or the State of Louisiana.
- 5.4.6 Certificates/Profile of Firm Form.** Pertaining to the aforementioned (within Sections 5.4.1 through 5.4.5) insurance certificates and licenses, each proposer is required to enter related information where provided for on the Profile of Firm Form (do not attach or submit copies of the insurance certificates or licenses within the proposal submittal—we will garner the necessary documents from the successful proposer prior to contract execution).
- 5.5 Contract Service Standards.** All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws, and regulations.
- 5.6 Prompt Return of Contract Documents.** Any and all documents required to complete the contract, including contract signature by the successful proposers, shall be provided to the Agency within 10 workdays of notification by the Agency.

The form is required for nonconstruction contracts awarded by Housing Agencies (HAs). The form is used by bidders/offers to certify to the HA's Contracting Officer for contract compliance. If the form were not used, HAs would be unable to enforce their contracts. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

The indemnities to be set forth in the contract resulting from this RFP will survive the expiration or termination of that contract.

Printed Name of Authorized Signatory

Signature

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABL E accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer.
